Message from The President

I am continuously impressed by the nature of the people who choose to volunteer for DOGPAW. Intelligent, industrious, clever, and kind-hearted, our volunteers donate a wide variety of talent and skill, and bring tons of experience to sustain our dog parks.

With everyone's help -- committed volunteers, our members and our donors -- the Parks Foundation, OnPoint Community Credit Union, BPA, and Husky Fence, we have a great start on the huge project to install a new fence at the Ike/Ross Dog Park. We plan to be frugal and work on the fence in phases, as we acquire the dedicated funds. Right now, material prices are sky high, so we might hold off on doing more fence until things stabilize. *Stay tuned...*

Since you're reading this newsletter we know you're well informed, so maybe you can help us spread the word:

- While the parks open officially at 7AM many people show up in the morning way before then. Please remind folks to respect the neighbors and try not to wake them.
- Members and donors pay 100% of the costs of poop bags and waste removal. YOU pay for additional garbage and hauling when folks disregard the **Pet Waste Only** signs. And food waste just attracts RATS. So if you can, please remind people not to throw garbage or food waste in the dog waste disposal bins.
- And another very important way you can help. Ask your park-going friends if they know about DOGPAW. There's a good chance they'll say, "What's that?" Let them know that DOGPAW makes our dog parks possible. The city and the county don't have the resources to manage off-leash dog parks. **No DOGPAW, no Dog Parks**. Let them know that DOGPAW members -- **YOU** -- pay for all of the poop bags, dispensers, trash bins, and trash pickup. **YOU** contribute hundreds of volunteer hours a month to keep the parks operating and maintained.
- We have business-card-sized DOGPAW information cards available to give to folks who don't know what DOGPAW is. Let us know

ask@dogpawoffleashparks.org if you want some to hand out.

Next to the dogs, meeting and talking to people at the dog parks is a daily treat. Thanks for your support of our favorite parks!

Until next time,

Sally Jenkins, President, DOGPAW

Membership and Donations – News & Updates

WOOFSA! (*that's canine for WOWSA!*) We have 53 new and renewing members in July...The Ike PBD was a great day with 10 contributions. Summer weather sure brings out pups and their owners, and the giant reminder that we have a place to go with the dogs. Really grateful!

Tell your friends...at a DOGPAW dog park '*we let the dogs out.*'

DOGPAW Membership Card ... As we move forward (*out of this blasted past year*), we plan to set up some promotions that you as a member of DOGPAW can take advantage of. Now, hold on, it's not in place yet, but stay tuned. When we have news to report—you'll

be the first to know. But you'll have your card so you'll be ready to go. Sign up—become a member!

Other contributions this month bring new business sponsors and some dollars earmarked for Ike Fencing (*read on to find out more*). All of your contributions remain critical to support all the DOGPAW dog parks around Clark County, and they will help us expand our mission in support of DOGS! **Woof!**

Dogs are not our whole life, but they make our lives whole.

DOGPAW Founders ... In The Beginning

Yes, we celebrate Independence Day in July, and we all live free thanks to the Founding Fathers. However, we also have DOGPAW Dog Parks where our dogs run free thanks to *our DOGPAW Founders*, one of whom is Pat Weinkauf. Let me tell you

some of the story...

Pat and husband Bob love Fallon and Tyler (Border Collies going on 12) and little Peppy (English Cream Mini Dachshund 6). They miss the dog park these days, but circa 2001, they missed nothing. Pat started an information-gathering campaign on her walks, asking folks she passed, with or without dogs, if they had any interest in a dog park. Pretty soon, she advanced to a clipboard with a petition, *walking a lot and taking names*.

Pat wanted to exercise her dogs—her very busy, very active herding dogs. And there was no place close that she could do that legally. Having heard about other cities with dog parks, she and other dedicated dog owners headed to the site of Pacific Park, and on its some 44+ acres they banded together to secure and maintain the site, and pay for waste disposal. (*Officials quietly looked the other way.*)

“I attended a lot of City and County Council meetings early on.” She and her cohorts would show up in large numbers to advocate for ‘the off-leash effort.’ They continued their lobby, particularly after learning that plans for the multi-use Pacific Park had no allocation for an off-leash area. They continued to religiously hand in their signed petitions.

“We felt that we had proven the interest and support for dog parks in our community, and believed that dog owners deserved to have a legal, safe off leash park in Vancouver.”

After a couple of years and significant effort, that even required changing some ordinances about off-leash dogs, the County committed 8 acres at Pacific Park. At the time, this parcel would become the largest off leash park in the greater Portland area.

Now DOGPAW also realized they needed to step up their game from casual to formal; this meant becoming a 501c3 non-profit corporation. From mid-2004 through early 2005 this dedicated group of volunteers worked through the application process with the required Federal and Washington State governmental bodies.

In March 2005, DOGPAW became a 501c3 non-profit corporation.

Next month...more of the story

Ike Fencing Update

Have you been to Ike lately?

Have you seen the new fence?

(So you say I'm giddy over fencing ... dog straight I am. It's gorgeous.)

The Board will be commemorating this progress with signage—coming soon.

A big thank you to the **Parks Foundation of Clark County** and **OnPoint Community Credit Union** for their 2020 Grant Award that helped make this new fence possible.

'Good fences make good neighbors' says Robert Frost, and we of DOGPAW agree with that premise. Visit Ike, check out the Upper Deck Beauty...we're on our way.

A *Rapid Response Team* quickly formed to fill some gaps under the new fence due to uneven terrain. The *Ike Irregulars* always work hard for the park: Larry, Eileen, Marc, Eddie, and others...remember it's our *double decker*.

Go to the [DOGPAW Website/Membership Donations](#), Click **Donate for Ike Park Fencing**...or just donate. We need funds to pay as we go—time and materials.

Ike Dog Park Thanks You – PBD – July 10, 2021

Well, it wasn't May 4th, but DOGPAW was out in force and worked so hard at the Ike Park Beautification Day (PBD). What workers we have...this list may

not be all inclusive, but here goes: Jenny Thompson, Alessandra Galato, Priscilla Gamboa, Bren Smith, Mike Taylor, Jason and Micah Phelps, Amy Radley, Michele Black, Maxine Adams, David Hoffman... Some 14.5 *volunteer* hours logged for these folks.

In addition to filling holes, cleaning poop, weed whacking around the upper gate, and all around picking up; they filled the dumpster with the brush pile... whew! And, a new gate latch was welded and then installed on the upper gate.

Grateful for these hard-working guys!
Eddie Dorr and Marty Rutkovitz

And of course, our Intrepid Leaders

Fun Selfie and *Selfless*

...Thank you to **Everyone** who is conscientious and follows the rules.

We love our pets, our volunteers, surely our members, and are grateful for our Business Sponsors. **Thank you all!**
