

DOGPAW OFF-LEASH PARKS Clark County, Washington

DOGPAW is a non-profit organization that manages off-leash fully-fenced parks where dogs can run and play with their two- and four-legged friends. We are immensely grateful to the City of Vancouver, Clark County, and the Bonneville Power Administration for allowing us the use of their land for our off-leash dog parks.

DOGPAW is responsible for:

- purchasing & replacing poop bag dispensers & poop bags
- contracting and paying for waste removal
- paying for small repairs as needed
- designing & supplying dog park signage and safety rules
- daily monitoring/maintenance of park grounds
- communications with county, city, other organizations, sponsors, vendors, members, media, and the public...and more

And DOGPAW needs your help!

Please consider becoming a member or business sponsor. Because we are an all-volunteer organization, ALL of your donations go to the operation and maintenance of our beautiful parks.

Anyone can volunteer! For more info, email, volunteer@dogpawoffleashparks.org.
