At Dakota Day we accepted over \$300 in donations

We added 25 new members in April

# **Message from the President**

Patience. We're well into spring and the juices are flowing! The birds and the bees and the flowers on the trees and the dogs in the park...you know what I mean. Love is in the air and the dogs, and people too, are feeling frisky. High energy pups and quarantined people all feel the need for freedom. So when dogs play a little rough and people get a little frustrated...let's be patient with one another. We do it for the dogs.

Speaking of dogs and patience, our friend Jay of **Doggie Duty Shovel Service** has just had his 20th anniversary of being in business, and DOGPAW has used his service for almost all of that time. Despite his hard work, he always wears a smile. Congratulations, Jay (aka Jon Knowles)!

Oh, and sign up soon for the Humane Society's Walk/Run for the Animals...see more below.

Until next time,

Saller

Sally Jenkins, President, DOGPAW

# How Exciting Is This?

City of Battle Ground, near the Lucky Memorial Dog Park—and where we will be celebrating our May 8, Park Beautification Day—has just brought back their K9 Program. Introduce yourself to <u>Charlie, new K9 Officer in Battle Ground</u> at this link.

# Remember...

**Lucky Memorial Dog Park**, for those of us who don't know, or perhaps remember, each park is a K-9 Memorial Dog Park named for fallen K-9 officers.

K9 Lucky began service in 1987. He was credited in 1988 with 46 felony and 97 misdemeanor arrests. In 1989 he had 112 felony and 99 misdemeanor arrests. Prior to his death in 1990 he was credited for 20 felony and 41 misdemeanor arrests. Lucky died in the line of duty in 1990.

# Who Doesn't Love Pizza?

On May 6, Rally Pizza will donate 25% of sales to DOGPAW if 20 or more people **RSVP** in advance by May 3.

Then order and pick up your pizza on May 6 between 3 pm and 8 pm.

RSVP details at Eat to support DOGPAW

## **Meet the Lucky Park Managers**

Lucky Park Managers Rick and Jess—Say 'Hi' if you see them.

Rick Shulenbarger and his husky Togo have been coming to Lucky for over three years. He calls himself 'the Surprise Manager.' Rick had a home fire and needed a place to come with his pup, Lucky was it. He says, "I found out a year after it happened (during a park beautification day), Larry just told me I was Park Manager." If you see holes filled, the lot swept, trash picked up, doggie bag stations filled, repairs made, and so much more, then you are enjoying the hard work of Rick's "labor of love". Rick is the *morning guy* who sometimes gets overwhelmed a bit since he'd like some backup, and also admits, "we need help, come out and volunteer."

Jess Rubenstein and Libby Da Diva have been coming to Lucky off and on for over 5 years. He made Park Manager *official* this past few years and calls himself the *afternoon guy*. A freelance writer, working from home for the most part, he loves Lucky. "Our views are stunning compared to the other parks." Because the park is so open, and pretty flat, Jess welcomes all sorts of park goers, handicapped folks, blind dogs, regulars, a great mix and match of dogs and people. Jess also calls himself a beggar, "We always need help." Although on county land, "people don't know this is NOT a Clark County Park, DOGPAW maintains it. If you give \$25 a year, come on, that's only 15 cents a day."

When you come to Lucky say hello to the Park Managers if you see them--they work hard for us!

Marty Rutkovitz—Director of Park Operations

Coming to beautiful Clark County from St. Louis, Missouri two years ago, Marty, wife Paula, and pups Priscilla and Lillibean (Maltese and Dachshund/Norfolk Terrier respectively) were pleased to discover our great dog parks. Now that he's been here for a bit, he's ready to jump in, get involved, and DOGPAW is thrilled to have him join the Board as Director of Park Operations.

Marty brings a strong background in Facilities and Engineering Services as well as Project and Volunteer Management. He is really looking forward to building relationships with the community and of course, making new friends as he makes his rounds of the dog parks. When you see Marty at *your* park, please say hi and welcome!

#### Nicholas Torres--Director, Business Sponsorship Coordination

Nicholas brings some youth and fresh energy to the Board and looks forward to encouraging and bringing on new sponsorships. He loves working with people and can talk to most anyone. Just the kind of enthusiasm that is needed. Welcome Nicholas!

# **Ike Update**

We've run into a bit of a snag; our goal will take longer to achieve due to the year-long shutdown across the country. As we all know, everything has been affected, and that includes supply chain (production, manufacturing, installation). As you can see, our goal is \$43K.

But the plan is to replace sections of fencing as we raise the funds.

If you can help with this project, please contact DOGPAW at any of the email or phone numbers in the Contacts section below.

- When you donate, please indicate '*lke Project*' on your check. This will ensure that your funds get assigned to the project.
- If you contribute online, click on the <u>Membership Donations</u> menu item on the DOGPAW website, scroll down and click on Donate for Ike Park Fencing.

Thanks again for hanging in there with DOGPAW, we will continue providing updates as information changes (good or bad), **AND**, we will get to done!

# Thank You!

A huge hand goes out to all.

...The Dakota A-Team and their many contributions to the Park Beautification Day Event, April 10.

(See more pictures in the **Photo Gallery** on the DOGPAW website.)

...Spearheaded by the Park Managers Rick SantAngelo, Greg Schmeer, Laurie Hirsch, and accompanied by Volunteer and Dog Park Ambassador Extraordinaire, Peg Schmeer, the windy cold day activities returned so much to the park and to all of its park goers.

...No slouch is Ultimutt sponsor Tony Marx--who had family and friends that came out and helped, in addition to providing tasty treats and great K9 training information just outside the fence

...**AND** Marty Rutkovitz, Jake, Victor Kolbe (volunteer and new DOGPAW member), MaryAnn May, Patti Moran, Dan McGuire, Ashley Ingram, Richard Cook, Ben and Stephen Matthiesen, Sharon and Jeff Hidaka, Cherany Skelton, Olivia and Dad David--recently lost their pup--but love the park and came to help

...A BIG sweet thank you to **DOT Donuts**\_who donated dozens of doughnuts to the Dakota volunteers

...OMG, we had strangers and skatepark kids helping spread gravel!

...To those \$\$\$ cash donors

...To our tireless DOGPAW Evangelist, President Sally, going to and fro, from one end of the park to the other

#### Ike Thank You's Continue Coming In

...City of Vancouver, and Bill Bjerke for all the recent work at Ike—a nice new gravel ramp laid against the asphalt street edge on the path to the park gate, making that spot so much safer.

...Great too, a team of hard-working grass trimmers, cutting down the heavy growth along the fences and, amazingly, across the entire hillside that climbs up to the Ross Complex yard to the left of the main gate.

...DOGPAW park goer (*and past board member*), John Vanvig lauds the workers. "I know how important the city's help is to DOGPAW. As a park visitor, I know how much nicer the place is thanks to your crews' work."

#### And As Always

...To our volunteer Park Managers and everyone who picks up extra poop and stray litter at all the dog parks. You make our dog parks possible!

...We love our pets, our volunteers, surely our members, and are grateful for our Business Sponsors!

### Thank you all!

Mr. Peanut So Dug Dakota

Hi Hi Hi you're kinda BIG!

# Reminders

Not to be an alarmist, but if you have one in your car, perhaps it's a good idea to activate it as you lock up to go walk the pups.

Even though the lower parking lot at Ike has posted reminders against loitering, camping, etc. There is nothing posted about car break-ins, and there have been some.

We were also told about a car break-in at the parking lot at Lucky. So...

- Don't leave valuables in your car
- Don't leave packages, bags, gear visible—nothing to tempt
- Seeing a break in in progress or emergency dial 911
- Discover car broken into after the fact but not a true emergency, (termed a cold break in) dial 311 for Clark County Non-Emergency
- **Park Rules:** Thank you for refreshing your memory about our great parks by reading the park rules that are posted in every park.
- Covid19: If you have questions about Covid19 behaviors, please refer to Clark County Health Department guidelines <u>here</u>.
- Please caretake...clean up after...and license...your pet. Be aware of your dog, carry a lead, consider the small dog park if appropriate.
  - Pet Licensing, Clark County, WA
- Neuter male dogs older than 1 year
- Please pick up paper and pet litter.
